

Bishop's Itchington

Neighbourhood Development Plan

Minutes of NDP Meeting 15th October 2018

Butchers Arms

1. Meeting Attendance.

Present: Sue Wilson, Adam Dugmore, Jane Thomas, Alan Heatley

Norman Thomas (minutes)

Apologies: Steve Tressler

Members of the public: no attendance

2. NDP Working Group

Steve Tressler has advised that he can longer participate due to work commitments – thanks to Steve for his input to date.

5. Plan Preparation

Since the last meeting, the working group has been active in preparing the individual sections of the plan and it was now unanimously agreed after discussion, that we had all done as much as we are able, given the limited resources and knowledge of the subject matter.

Therefore, the consensus of the group was that to move things forward, the plan as it stands, should now be handed over to Neil Pearce for completion.

Sue will collate the existing material so as to present it to Neil for him to complete, asking for an updated quotation first as we are now requiring him to do more work.

The quotation will form the basis of a grant application, and if there is a shortfall in available funding, then the PC will have to make up this difference if it is agreed that an NDP is still required for the village.

The meeting was concluded by agreeing that we should have another social night out to celebrate our achievements at Shukars in Kineton, date Friday 7th December, 19.30 for 20.00hrs. Adam will make the reservation.

Date of next meeting: 9th November 2018 - cancelled

7th December @ Shukars
