Meeting Activity

As agreed in the NPD meeting of 20th November, the purpose of this session was to use this as the first of the workshops to start to populate the headline subjects using the data gathered from the earlier workshops.

These headline subjects have previously been identified as:

Transport & Traffic

Facilities – renamed to Services & Amenities

Employment & Commerce

Housing

Natural Environment

Built Environment

Transport & Traffic and Services & Amenities were completed in this meeting, with the others to be tackled at the next NDP meetings.

Date of next meeting: 19.30hrs, 22nd January 2018, The Community Centre.
